

# Benjamin REULAND

● 14/06/2002 ● **Address:** Rue de l'Evêché 18/041, Liège, Belgium ● **Phone:** 0495573964  
● **Email address:** reulandbenjamin@outlook.com

## Profile

Industrial engineering student, specialising in Electronics and Embedded Systems, at the Haute École de la Province de Liège. Passionate about innovative technologies, I am developing strong skills in electronic design, embedded programming, and hardware-software integration. Curious, meticulous, and project-oriented, I seek to apply my knowledge in demanding technical environments such as IoT, robotics, or automation.

## Experience

**07/2018 – 09/2025**  
**Marche-en-Famenne,**  
**Belgium**

### **Student worker** **Quick**
